

Appendix A: Acronyms

ACS	Attitude Control Systems	DRM	Design Reference Mission
ACWP	Actual Cost of Work Performed	EAC	Estimate at Completion
AD2	Advancement Degree of Difficulty Assessment	ECP	Engineering Change Proposal
AHP	Analytic Hierarchy Process	ECR	Environmental Compliance and Restoration or Engineering Change Request
AIAA	American Institute of Aeronautics and Astronautics	EEE	Electrical, Electronic, and Electromechanical
AO	Announcement of Opportunity	EFFBD	Enhanced Functional Flow Block Diagram
ASME	American Society of Mechanical Engineers	EIA	Electronic Industries Alliance
BAC	Budget at Completion	EMC	Electromagnetic Compatibility
BCWP	Budgeted Cost for Work Performed	EMI	Electromagnetic Interference
BCWS	Budgeted Cost for Work Scheduled	EMO	Environmental Management Office
C&DH	Command and Data Handling	EO	Executive Order
CACE	Capability for Accelerated Concurrent Engineering	EOM	End of Mission
CAIB	Columbia Accident Investigation Board	EV	Earned Value
CAM	Control Account Manager or Cost Account Manager	EVM	Earned Value Management
CCB	Configuration Control Board	FAD	Formulation Authorization Document
CDR	Critical Design Review	FAR	Federal Acquisition Requirement
CE	Concurrent Engineering	FCA	Functional Configuration Audit
CERR	Critical Event Readiness Review	FDIR	Failure Detection, Isolation, And Recovery
CI	Configuration Item	FFBD	Functional Flow Block Diagram
CM	Configuration Management	FMEA	Failure Modes and Effects Analysis
CMC	Center Management Council	FMECA	Failure Modes, Effects, and Criticality Analysis
CMMI	Capability Maturity Model® Integration	FMR	Financial Management Requirements
CMO	Configuration Management Organization	FRR	Flight Readiness Review
CNSI	Classified National Security Information	FS&GS	Flight Systems and Ground Support
CoF	Construction of Facilities	GEO	Geostationary
ConOps	Concept of Operations	GFP	Government-Furnished Property
COSPAR	Committee on Space Research	GMIP	Government Mandatory Inspection Point
COTS	Commercial Off the Shelf	GPS	Global Positioning Satellite
CPI	Critical Program Information or Cost Performance Index	HF	Human Factors
CRM	Continuous Risk Management	HQ	Headquarters
CSA	Configuration Status Accounting	HQ/EMD	NASA Headquarters/Environmental Management Division
CWBS	Contract Work Breakdown Structure	HWIL	Hardware in the Loop
DCR	Design Certification Review	ICA	Independent Cost Analysis
DGA	Designated Governing Authority	ICD	Interface Control Document/Drawing
DLA	Defense Logistics Agency	ICE	Independent Cost Estimate
DM	Data Management	ICP	Interface Control Plan
DOD	Department of Defense	IDD	Interface Definition Document
DOE	Department of Energy	IEEE	Institute of Electrical and Electronics Engineers
DODAF	DOD Architecture Framework	ILS	Integrated Logistics Support
DR	Decommissioning Review	INCOS	International Council on Systems Engineering

Appendix A: Acronyms

INSRP	Interagency Nuclear Safety Review Panel	PERT	Program Evaluation and Review Technique
IPT	Integrated Product Team	PFAR	Post-Flight Assessment Review
IRD	Interface Requirements Document	PHA	Preliminary Hazard Analysis
IRN	Interface Revision Notice	PI	Performance Index/Principal Investigator
ISO	International Organization for Standardization	PIR	Program Implementation Review
IT	Information Technology or Iteration	PIRN	Preliminary Interface Revision Notice
ITA	Internal Task Agreement.	PKI	Public Key Infrastructure
ITAR	International Traffic in Arms Regulation	PLAR	Post-Launch Assessment Review
I&V	Integration and Verification	P(LOC)	Probability of Loss of Crew
IV&V	Independent Verification and Validation	P(LOM)	Probability of Loss of Mission
IWG	Interface Working Group	PMC	Program Management Council
JPL	Jet Propulsion Laboratory	PPBE	Planning, Programming, Budgeting, and Execution
KDP	Key Decision Point	PPO	Planetary Protection Officer
KSC	Kennedy Space Center	PQASP	Program/Project Quality Assurance Surveillance Plan
LCCE	Life-Cycle Cost Estimate	PRA	Probabilistic Risk Assessment
LEO	Low Earth Orbit or Low Earth Orbiting	PRD	Project Requirements Document
LLIL	Limited Life Items List	PRR	Production Readiness Review
LLIS	Lessons Learned Information System	P/SDR	Program/System Definition Review
M&S	Modeling and Simulation	PSR	Program Status Review
MAUT	Multi-Attribute Utility Theory	P/SRR	Program/System Requirements Review
MCDA	Multi-Criteria Decision Analysis	PTR	Periodic Technical Reviews
MCR	Mission Concept Review	QA	Quality Assurance
MDAA	Mission Directorate Associate Administrator	R&T	Research and Technology
MDR	Mission Definition Review	RF	Radio Frequency
MOE	Measure of Effectiveness	RFA	Requests for Action
MOP	Measure of Performance	RFI	Request for Information
MOU	Memorandum of Understanding	RFP	Request for Proposal
NASA	National Aeronautics and Space Administration	RID	Review Item Discrepancy
NEDT	NASA Exploration Design Team	SAR	System Acceptance Review or Safety Analysis Report
NEPA	National Environmental Policy Act	SBU	Sensitive But Unclassified
NFS	NASA FAR Supplement	SDR	System Definition Review
NODIS	NASA On-Line Directives Information System	SE	Systems Engineering
NIAT	NASA Integrated Action Team	SEE	Single-Event Effects
NOAA	National Oceanic and Atmospheric Administration	SEMP	Systems Engineering Management Plan
NPD	NASA Policy Directive	SER	Safety Evaluation Report
NPR	NASA Procedural Requirements	SI	System Internationale (metric system)
OCE	Office of the Chief Engineer	SIR	System Integration Review
OGC	Office of the General Counsel	SMA	Safety and Mission Assurance
OMB	Office of Management and Budget	SOW	Statement of Work
ORR	Operational Readiness Review	SP	Special Publication
OSTP	Office of Science and Technology Policy	SPI	Schedule Performance Index
OTS	Off-the-Shelf	SRB	Standing Review Board
PAR	Program Approval Review	SRD	System Requirements Document
PBS	Product Breakdown Structure	SRR	System Requirements Review
PCA	Physical Configuration Audit or Program Commitment Agreement	SSA	Space Situational Awareness
PD/NSC	Presidential Directive/National Security Council	STI	Scientific and Technical Information
PDR	Preliminary Design Review	STS	Space Transportation System
		SysML	System Modeling Language
		T&E	Test and Evaluation

TA	Technology Assessment	TRAR	Technology Readiness Assessment Report
TBD	To Be Determined	TRL	Technology Readiness Level
TBR	To Be Resolved	TRR	Test Readiness Review
TDRS	Tracking and Data Relay Satellite	TVC	Thrust Vector Controller
TDRSS	Tracking and Data Relay Satellite System	UML	Unified Modeling Language
TLA	Timeline Analysis	USML	United States Munitions List
TLS	Timeline Sheet	V&V	Verification and Validation
TMA	Technology Maturity Assessment	VAC	Variance at Completion
TPM	Technical Performance Measure	WBS	Work Breakdown Structure
